The same applies if you're planning to visit other countries in the rental vehicle. Your failure to do so will result in your rental being refused and/or considered a no-show and you will be charged accordingly.

FLIGHT INFORMATION

For airport pick-ups, it is essential that you give us the correct flight number and arrival time. We are not responsible for any failed rentals if you did not provide this information or did not do it in time.

OUT-OF-HOURS

Please note that even if the supplier offers an out-of-hours service, it is usually available only on request. This means you must inform the supplier in advance that you require this service by selecting the correct pick-up and drop-off times when booking. Out-of-hours fee amounts will be displayed in these Terms and Conditions only if your selected pick-up and/or drop-off time falls within the out-of-hours period and the service is available. The displayed amount applies solely to the pick-up and drop-off times you searched for.

If you return the vehicle outside the Supplier's normal operation hours, please make sure you know the procedure and the location of the key return box beforehand. Also, please keep in mind that you will remain liable for vehicle damage until the vehicle return is registered on the next working day.

NO-SHOW

If you fail to pick up the vehicle at the booked time and date or notify us of cancellation before the rental is booked to start, this will be treated as a no-show. If you cannot pick up the vehicle due to insufficient documentation or because your credit card is not valid or accepted by the Supplier or does not hold sufficient funds to cover the deposit, this is also treated as a no-show.

Please keep in mind that fees may apply.

EARLY AND LATE RETURNS

A late return penalty fee may apply if you return the vehicle later than agreed in your Rental Document. Please check the details with the Supplier when you pick up your rental vehicle.

Please keep in mind that extensions may not always be possible.

OTHER IMPORTANT INFORMATION

NOTICE

For the purposes of this document, "we", "us" and "our" refer to DriveAway, "you" and "your" refer to the person booking a vehicle rental, and "Supplier" to the specific rental company who will be providing the vehicle. Please also keep in mind that the Terms and Conditions are subject to change without prior notice. These Terms and Conditions are of informative nature. The legally binding document is the Rental Agreement between you and the Supplier that you

agree with when the Supplier hands the rental vehicle over to you. DriveAway does not take any responsibility regarding any agreements you make with the Supplier.

Please note that the names of coverage products, fees, charges, optional extras, etc., used by the Supplier may not be exactly the same as the ones displayed on our website. The names here are standardised in order to better compare different Supplier offers.

All rates indicated here have been converted into your preferred currency and may be rounded up. We are not responsible for exchange rate fluctuations.

PARKING AND TOLL FEES, TRAFFIC FINES

Please keep in mind that you are responsible for all garaging and congestion charges, parking and other traffic fines and penalties, and toll fees / road tax (if not specified otherwise) incurred during the rental period. All such charges will be forwarded to you along with any administrative charges from us or the Supplier.

VEHICLE CONDITION

You must return the vehicle in the same condition as it was in when you received it. The Supplier will charge you at their own rates for any excessive staining/soiling and/or for both internal and external damage (including strong smells). You are responsible for inspecting the vehicle upon pick-up/drop-off and for the cost of any new damage found at the end of your rental period.

Please check with the Supplier at the time of vehicle pick-up for details on how to report damage, collisions, theft, vehicle confiscation, impounding, etc. Failure to comply with the correct procedure may result in your insurance coverage becoming invalid and/or the Supplier terminating the rental.

ROADSIDE ASSISTANCE

The Supplier offers roadside assistance, please contact us directly for more information or enquire when collecting the vehicle.

The Supplier has the right not to provide a replacement vehicle depending on the circumstances.

LOST, DAMAGED AND STOLEN ITEMS

You are responsible if the key(s) are lost or damaged and due to pay a penalty fee to the Supplier of the vehicle. Please keep in mind that if you do not return the keys to the Supplier when the car is stolen, your insurance is deemed void and you might be held responsible for the full value of the vehicle. It is important to keep an eye on the keys as it is impossible to steal some newer models without them. In order not to direct any potential thieves to the details of your rental vehicle, it is highly recommended that you take all rental tags off the key(s) and keep them in the glove box until returning the car. Let it be noted that key(s) refer to all types of keys and key-cards.

SAFETY EQUIPMENT

Please keep in mind that you must use the correct kind of safety equipment as required by law in your destination country, so we strongly advise you to familiarise yourself with the requirements before travel and book necessary extras (such as baby seats) beforehand. If you book any type of child seat, most Suppliers will not install it in the rental vehicle and you will be responsible for fitting it yourself.

VEHICLE GROUP/MODEL

The make and model of the car displayed are only guaranteed if it is clearly stated so in the offer. Generally, the particular car displayed on the voucher is only for reference and the Supplier reserves the right to substitute it for an alternative, similar or upgraded car. If the vehicle on your voucher becomes unavailable at the time of booking due to a breakdown or an accident, the Supplier will provide you with a similar or upgraded vehicle.

BOOKING AMENDMENTS

You must inform us of amendments before your rental period is due to start. Please keep in mind that fees may apply.

CANCELLATIONS AND REFUNDS

You must inform us of cancellations before your rental period is due to start. Please keep in mind that fees may apply.

COMPLAINTS

Please refer to our general Terms of Service for details regarding complaints. If the complaint raised lies with the Supplier, we will inform you how to directly file your complaint with them but will not be able to respond to specific points raised by you.

LOCAL TAX NOTICE

We do our best to ensure that all the prices we display are inclusive of tax. However, please keep in mind that local taxes and fees, like airport surcharges, may be additionally applied by the Supplier on locally paid extra charges, like optional equipment and age-related fees. Local taxes and fees are controlled by local authorities and the Suppliers and may be subject to change.
