## Essential Information

### Passports & Visas

It is your responsibility when travelling or transiting on your journey to ensure that you have valid passports, visas, ESTA ( USA), eTA (Canada, New Zealand, and The United Kingdom are some countries allowing travel via eTAs for Australian passport holders) and re-entry permits which meet the requirements of immigration and other government authorities. If you need information regarding visas and other travel document requirements (i.e. ESTA or eTA eligibility) for your trip, please ask your travel consultant for assistance.

Please note that many destinations require a minimum of 6 month's passport validity from return date. Please let us know if you have less than 6 months validity on your passport and we can confirm requirements specific to your travel arrangements.

Many countries require passport information to be included in itineraries prior to travel. We want your travel experience to be as smooth as possible and request that passports for all travellers be presented to your consultant prior to departure.
